

Pilkington Decorative Glass Range

Pilkington Texture Glass

Pilkington Oriel Collection

Pilkington **Optifloat™** Opal

Reeded™

Privacy Level 2

We originally launched this design over 30 years ago and due to popular demand for retro designs, it's part of our range again. The pattern can be positioned either vertically or horizontally to suit your application.

Introducing Pilkington Texture Glass

Whether it's for privacy, pure style or to allow more light into internal rooms, Pilkington Texture Glass gives you a stylish range of attractive options.

No one offers a bigger choice of original designs, in fact, you can choose from 19 different designs, which range from traditional to contemporary. The advantages of Pilkington Texture Glass are easy to see too. Not only does it allow maximum light in – while maintaining your chosen level of

privacy or obscurity – but it also makes an attractive, decorative feature itself. And that's why our Texture Glass is the most trusted in the market.

With the wide range of original patterned designs, plus our Pilkington Oriel etched glass range, there are now even more design possibilities, all with the quality you'd expect from one of the most recognised and trusted glass brands. There really is no better decorative glass choice for your home.

Pilkington Texture Glass Replacement Range

If you need replacement glass to match an existing design, don't worry, we have a number of well-established designs that are still available.

Technical information

If you use our glass it's essential for safety and performance reasons that it's correctly specified and installed.

Common areas of impact risk, where it's recommended that impact safety glass classified by BS EN 12600 is installed include:

- Glazed doors
- Glazing adjacent to doors
- Low-level glazing
- Bathroom areas
- Protective barriers
- Furniture and cabinets
- Office screen and partitions

We also recommend that you get a sample from your window installer before making your final selection and purchase.

This publication provides only a general description of the products. Further, more detailed, information may be obtained from your local supplier of Pilkington products. It is the responsibility of the user to ensure that the use of these products is appropriate for any particular application and that such use complies with all relevant legislation, standards, codes of practice and other requirements. To the fullest extent permitted by applicable laws, Nippon Sheet Glass Co. Ltd. and its subsidiary companies disclaim all liability for any error in or omission from this publication and for all consequences of relying on it.
